Group Rate \$4800 Member
\$6000 Non-Member

Price does not include materials fee and instructor expenses

Per Person Rate \$700 Member
\$750 Non-Member

Per Person rates apply to Public Courses

Course Format – 4 Days

The PLCL training accompanies the PLCL Self Study Program has been developed for you, and your participation is key to learning and retaining the information you will need. To make the most of this learning experience we encourage you to review the chapters to be taught each day in advance. The four days are completed over a period of two months, with the first two days held in the first month, and the last two days held in the second month. The option to have one session per month over a four-month period is also available. There is a ½ day introductory session outlining course agenda, distribution of materials and assignment of pre-course work.

Maximum number of participants per session – 20.

Course Objectives

This North American recognized training program focuses on the prevention and control of occupational injury and illness, property damage, security breaches, pollution and product liability. We feel it is important that management and all employees understand and accept their role in making theirs a safe and healthy workplace. The material for this program consists of a text and 20 chapter exercises.

It is essential that management understands and accepts its role in making the workplace safe and healthy, as well as preventing and controlling all associated losses.

Who Should Attend?

Managers; supervisors; lead hands; foremen; safety committee members; anyone responsible for safety or loss control.
