

JOINT HEALTH AND SAFETY COMMITTEE (Blended)

WorkSafeNB Approved

Format – 1 Day

The one-day Blended **Joint Health & Safety Committee Course** involves lecture, class discussion and audiovisuals to apply the concepts learned during the on-line modules. ***The following five (5) WorkSafeNB online modules must be successfully completed prior to the start of JHSC Blended course:**

- **New Brunswick Health and Safety Legislation**
- **Hazard Identification, Assessment and Control**
- **Incident Reporting and Investigations**
- **Workplace Inspections**
- **Effective Joint Health and Safety Committees (JHSC)**

Course Objectives

Participants will learn the regulations and reasons for establishing a committee, the role of the committee in the total safety program and best practices for committee meetings to maximize the function and scope of the committee. This course will also provide technical exercises in dealing with the assessment of **hazards & risks** as well as handling **incident investigations**. Every effort is made to address individual concerns specific to the participants' requirements.

Course Outline

- **Review of OHS Act & Regs**
- **Resources**
- **Hazard Identification, risk assessment & controlling hazards**
- **Incident Investigations**
- **Assessing and improving your JHSC**
